10.28.136 Loading Zones--Authority To Establish.

1. The City Council may establish loading zones along any street for the purpose of permitting the loading and unloading of merchandise and persons. The action of the City Council establishing such loading zones must be taken by ordinance. In establishing loading zones, the City Council may limit the applicability of the loading zone restriction to certain hours of the day or night. The characterization of the loading zone as an area of restricted parking shall be indicated by the placement of signs which shall indicate clearly the area affected, and which shall state the hours of the day during which the "loading zone" restricted applies.

2. Loading zones shall be reserved for use by commercial vehicle in loading and unloading persons and commodities during the hours designated on all days except Sundays and holidays. No person shall stop, stand or park any vehicle other than a commercial vehicle within the designated area between such hours, except that noncommercial vehicles may use such zones while actually engaged in the loading or unloading of persons or commodities, but noncommercial vehicles shall upon demand give way to commercial vehicles whose drivers desire to use the zone for loading or unloading purposes. Commercial vehicles using loading zones shall be entitled to the use of a loading zone only during such time as may reasonably be necessary for the loading and unloading of persons and materials and for so long as such activity actually continues. Loading zones shall not be used by employees of

the business or businesses for the benefit of which they were established, for any purpose except the continuous loading or unloading of persons or materials.

The City shall procure appropriate signs and cause them to be installed.
